Invitation

Dear colleagues,

For me it's a great pleasure and honour to organize the

6° Live Surgery and Symposium
"Innovations in Coloproctology"

It will be an international meeting with famous colorectal surgeons from all over the world.
In the live surgery session on the first day we will show the newest techniques in colorectal surgery, operated by the very experts and developers of these new techniques.
On the second day we will have four interesting scientific sessions regarding new techniques and the future of colorectal surgery.

Looking forward to amazing days in Berlin

Yours
