Topical Karger Journals

An international journal for GI surgeons

Editor-in-Chief
Kevin C.P. Conlon, Dublin

Interdisciplinary in scope, *Digestive Surgery* keeps the specialist aware of advances in all fields that contribute to improvements in the diagnosis and treatment of gastrointestinal disease.

www.karger.com/dsu

An international platform for key opinions and research

Editors
Jing-Yuan Fang, Shanghai
Peter Malfertheiner, Magdeburg

Ranging from the identification of new therapeutic targets to epidemiology, disease prevention, treatment and patient management, the journal provides a platform for the dissemination of key opinions and research from thought leaders in the field.
